

MOVIES HELPING TO BRING PEOPLE HERE

Since "The Palace" opened its doors for the purpose of entertaining the public, an increase in the number of visitors here from the country has become noticeable. "The Palace," being a place of amusement, and presenting the very latest and best films that money can buy, our neighbors from nearby form little parties and drive or motor in to enjoy the evening. These visitors to Williamsburg may not know it, but they are seeing exactly the same films that are seen in New York, Washington, Baltimore and the other large cities.

During the summer months many a pleasant evening will be spent by people living even eight or ten miles from town. Mr. Wolfe is going to provide them always with a high class show, the best that money can buy. If Williamsburg had a few more enterprises and amusement places many more people would come here.

He has promised to give a special matinee next Saturday afternoon for the benefit of those of our neighbors who are in town to attend the Farmers' Auction. The show will open at 3:30, and he will present the historical picture, the Battle of Bull Run, in three reels. It will be worth seeing and none should miss it.

WAS WELL KNOWN IN THIS SECTION

Washington, May 5.—Physicians are puzzled by the strange death of Edward Beverly Slater, a lawyer, of Maryland and Virginia, who died here of an infection of the brain due to an ulcerated tooth. His body will be taken to Warrenton, Va., for burial today.

Mr. Slater, who was 50 years old, entered a local hospital three months ago suffering from what appeared a minor ailment, and one which it was expected, would yield readily to medical and dental treatment. Despite all that could be done by practitioners of both branches of medicine, the infection spread from the jaw to the brain. Death resulted.

Mr. Slater was a half-brother of the late John H. Seymour and was well known throughout the Peninsula. He often visited his brother here. He was a brother of Mrs. Harry Clay, of Toano, and a half-brother of Mrs. R. H. Richardson, of Hampton.

The Rev. E. Ruffin Jones is in Philadelphia.

Chairmen S. R. Curtis, of Warwick and C. H. Sheild of York were here today to meet with Mr. E. W. Warburton pursuant to call to arrange for the Legislative primary. No quorum of chairmen being present, another meeting will be called.

MASTER ERIC L. FENNE

Master Eric L. Fenne, the sixteen year old son of Mr. and Mrs. Lars Fenne, passed away in the home of his parents last Thursday, May 1, near Fort Magruder, after a long illness of heart trouble. He is survived by his parents and a number of brothers and sisters.

The funeral took place at Norge last Saturday afternoon, the service being conducted by the pastor, the Rev. Edward Brekhus, of the Lutheran church. Mr. and Mrs. Fenne have the sympathy of their friends and neighbors in their deep bereavement.

CALOMEL OUT OF A JOB

People Coming for Miles Around for Wonderful Carswell's Liver-Aid. Better. Safer and Surer Than Calomel.

Williamsburg Drug Co. Sells This New Discovery on Money Back If Dissatisfied Plan.

Fix up your liver; clean your bowels of foul waste; drive poisonous gases from stomach, end constipation and feel fine and dandy in twenty-four hours.

Throw away calomel; it's dangerous; you know it; everybody knows it.

CARSWELL'S LIVER-AID is different. It's a pleasant, harmless vegetable remedy that acts gently yet surely and does not cause a particle of after misery.

It's a joyful laxative and more; it's fine for kidney disease and malaria and is as safe and splendid for children as for grown up people. Fifty cents secures a generous bottle at Williamsburg Drug Co.

Whereas, Mrs. Lyon G. Tyler has tendered her resignation as President of the Williamsburg Chapter United Daughters of Confederacy, and

Whereas, it was largely through her efforts that the chapter was organized and has prospered, therefore be it Resolved, 1st. That it is with a feeling of deepest regret that we accept the resignation of this faithful and beloved officer who has served so efficiently for many years.

2d. That we wish to express our sincere appreciation for the noble and unselfish work done by her, believing she has accomplished more than anyone else could have done, having been largely instrumental in the erection of the monument to our Confederate dead, having established the custom of going each year to the Eastern State Hospital on Jan. 19th to minister to the aged veterans, and it being by her suggestion that May 5th is annually observed as Memorial Day, being the anniversary of the battle of Williamsburg. The chapter individually and as a body realize that in her resignation we have lost a most efficient and valuable officer.

3d. That while we regret to lose her as president we rejoice that we shall still have her as a member and be benefited by the inspiring presence and valuable advice of one so faithful and loyal to the interests of the chapter.

4th. That a copy of these resolutions be sent to Mrs. Tyler, a copy spread upon the records of the chapter and one printed in The Virginia Gazette.

MAGRUDER NEWS

Magruder, Va., May 6—Mrs. Blayton is spending some time with her daughter, Mrs. David Powers. Mr. Clarence Saxby, of Richmond, is visiting his parents, Mr. and Mrs. E. Saxby.

The people of our community enjoyed a delightful entertainment last Friday evening given by our school. The programme, which was very attractively arranged, included several sketches and humorous songs, which were rendered entirely by school talent.

The splendid exhibit of our school and the many prizes captured by its pupils at the Peninsula School Fair, was most gratifying to the patrons; reflecting most creditably upon the work of its teachers.
